

Astralite Product Warranty and Limitation of Liability

Astralite warrants to the customer/purchaser that Astralite's products are free from defects in material and workmanship when used as intended (lamps and full battery warranty are excluded from all warranties) and have been manufactured with care and thoroughly inspected. The obligation of Astralite under this warranty is expressly limited to repair or replacement, within the specified period of time following the shipment, and only after Astralite issues a Return Materials Authorization (RMA) to the customer for the material.

This warranty does not extend to Astralite products that have been altered, repaired, replaced with unauthorized parts, or have been subjected to neglect, abuse, misuse or accident (including but not limited to shipping damages). Any abuse or misuse contrary to normal operation voids this contract. Astralite is not liable for any costs associated with the removal of parts or products, labor, or any associated costs.

Astralite's warranty does not apply to components or accessories manufactured by another manufacturer. In cases involving components or accessories made by another manufacturer, the customer shall direct all claims to the components or accessories manufacturer.

This warranty does not apply to damages associated with products that are installed in areas with other than normal temperatures, moisture levels, and any environmental conditions per the product's intended use. Astralite is not liable for any damages to people, property, apparatus, or otherwise which resulted from improper installation, maintenance, or use. This warranty is not extended to cover damages caused by abuse, fire, or acts of God.

For batteries used in Astralite's fixtures, the limited warranty set forth shall have a period of 5-years pro-rata from the date of shipment. The warranty is subject to limitations set forth in each product's specific warranty.

Astralite shall not be liable for indirect, incidental, consequential, distinctive damages or for lost profit. Astralite waives all liability for any claims or damage connected to the manufacture, sale, delivery, use, maintenance, repair, modification or supply of any products or parts.

Please consult individual product specification sheets for specific warranty that extend to individual products.
